

I promised the sun would shine – and we must have had one of the most beautiful evenings of 2015. The moor was really looking its best and there was a great night of racing. The races wouldn't have happened without wonderful support from numerous individuals, so massive THANKS to:

Paul Wood for great help

Anne Buckley for prize giving and general assistance

Dave and Eileen Woodhead for photography and support

Earl Jamieson, Callum Mole, Oscar Giles and Ruaridh Mon-Williams for scanning finishers

Rebecca and Kirsty Mon-Williams for registration and finish duties

A great team of marshals: Rachel Carter, Outi Kamarainen, Alison Bennett, Malcolm Pickering, Anna

Pickering, Paul Stephenson, Hilda Coulosey, Christine Reilly, Lizzie Reilly, Alison Bennett, Val Kerr

Andrew Wilson for first aid cover (thankfully not needed) – especially given it was the night before he left for Canada!

White Wells café for their support of the event

And ONCE AGAIN absolutely enormous thanks to Triss Kenny for designing and implementing an electronic timing system. The system worked really well and the issues from last year were ironed out.

On the topic of previous issues, we managed to get the results done swiftly (thanks to Triss) and this was partly due to a rationalisation of the categories.

Finally, thanks to all runners for supporting the event – please do return next year for another beautiful evening of racing over Ilkley moor. Congratulations to Joe Baxter and Jemima Elgood for running the fastest male and female legs on the 2 mile course and Sam Smith and Bethan Morley for being the fastest juniors over the 1 mile distance. Pudsey and Bramley proved too strong for Ilkley and Leeds AC in the open race whilst the Ilkley Girls showed a clean pair of heels to the Wharfedale angels (and have the beer to prove it – which they can enjoy in a few years' time when they can legally consume it...)

There were great junior results and I'm sorry that we couldn't reward more categories but I hope everyone agrees that the speed of the presentation balanced the disadvantage of fewer category prizes.

Thanks again to everyone – I look forward to seeing everyone again next year.

The most important thing is that Will would have loved yesterday evening and would be delighted that he was the inspiration for an event that saw so many folk (young and old) being outside and enjoying themselves running on the moor.

Mark Mon-Williams
